Outings & experiences log

So much home-ed learning happens out in the world. Capture where you went and what it sparked.

This template is general information to help you organise your home education, not legal advice. Home-education law differs across England, Wales, Scotland and Northern Ireland and can change. Always check the current official guidance for your nation (links in the accompanying guide) and, for anything involving SEND, an Education, Health and Care plan, a special school or a School Attendance Order, seek specialist advice before acting.
